

## Frequently Asked Questions | Faculty Communications Council Overview

### **How are council members selected?**

Faculty Communication Council members will be chosen based on self and peer nominations. If you are interested in becoming a part of this work, please [contact us](#) to be considered for future council openings.

### **What is the goal of the Faculty Communications Council?**

The council is designed to give faculty and physicians the ability to communicate directly with leadership at UVA Health.

### **How will the Faculty Communications Council work with existing communications groups throughout UVA Health?**

The Faculty Communications Council will collaborate with peers from across the clinics, inpatient units, operating rooms, and laboratories to establish new pathways for transparent discussion that can inform positive change throughout the health system. Council members are encouraged to share updates at departmental and divisional meetings. In addition to being publicly available [here](#), meeting minutes will be shared directly with department chairs and faculty senate members for distribution.
